Isn't Mrs. Wachtmeister interesting today.

Put me in coach.

Now where did everyone else go?

I'm so glamorous.

*my foot*

Hi mom.

If you can wait and not be tired by waiting,  
Or being lied about, don't deal in lies,  
Or being hated, don't give way to hating,  
And yet don't look to good nor talk to wise;

Rock-a-bye baby.

I got an "A" on cutting circles.

If you can dream and not make dreams your master,  
If you can think, and not make thoughts your aim,  
If you can meet with triumph and disaster,  
And treat those two imposters just the same;

# HALLOWEEN IN THE CAFETERIA

Mrs. Gray and the cafeteria staff.

Double double toil and trouble.

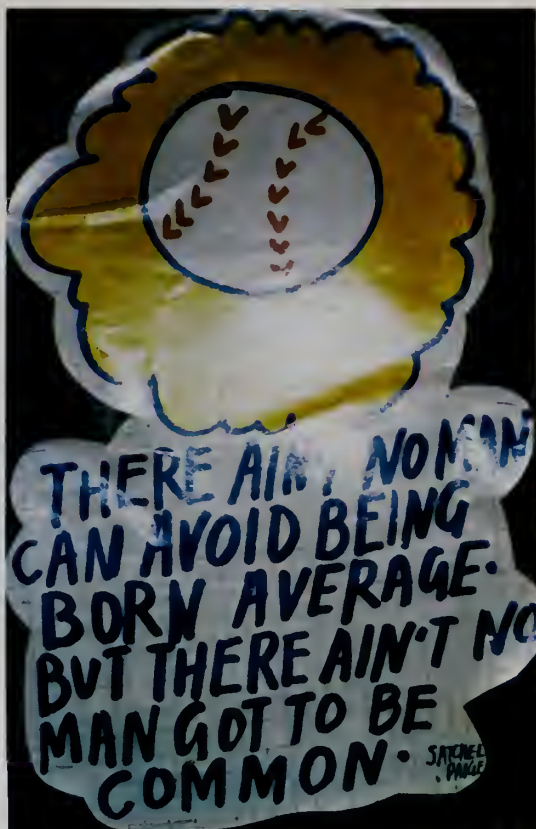

---

If you can bear to hear the truth you've spoken,  
Twisted by knaves to make a trap for fools,  
Or watch the things you've gave your life to, broken,  
And stoop and build'em up with worn-out tools;

What a hair raising experience!

If you can make one heap of all your winnings,  
And risk it on one turn of pitch-and-toss,  
And lose, and start again at your beginnings,  
And never breathe a word about your loss;

Get off my back man!

I thought they said stand up and holler.

I love, I love those seahawks.

If you can force your heart and nerve and sinew  
To serve your turn long after they are gone,  
And so hold on when there is nothing in you  
Except the will which says to them: "Hold on!"

# *Home Economics: Student-Parent Debate*

Students and parents debate

Other students and parents look on.

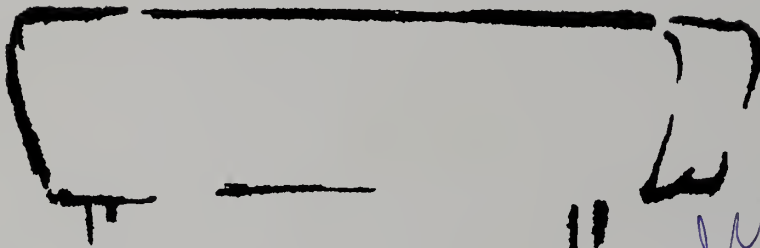

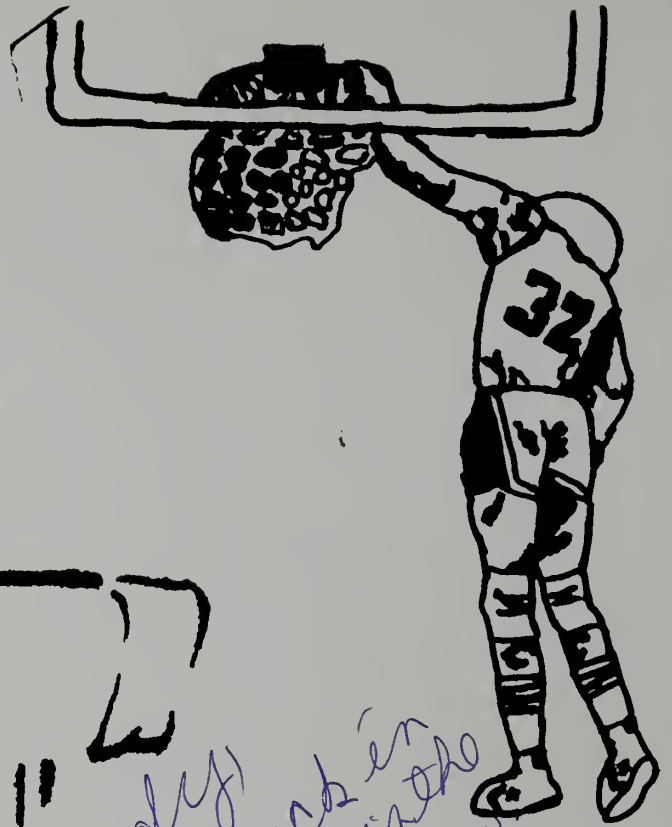

If you can talk with crowds and keep your virtue,  
Or walk with kings — nor lose the common touch,  
If neither foe nor loving friend can hurt you,  
If all men count with you, but none too much,

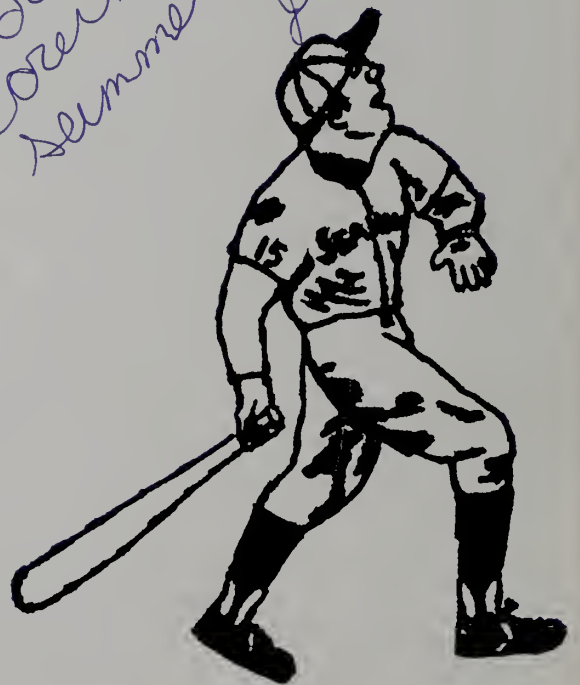

If you can fill the unforgiving minute  
 With sixty seconds worth of distance run,  
 Yours is the Earth and everything that's in it,  
 And — which is more — you'll be a Man, my Son!

### Field Hockey

I am gathering up my body,  
Today is a special day.  
In which I need every part  
For Field Hockey.

First I will need my brain,  
For the knowledge of the game.  
Then I will need my eyes,  
For seeing the balls and players.  
My hands and arms,  
Will grasp the stick and swing.  
My legs those underlying limbs which support  
me,  
Will run as they have never run before.

After the day is over  
My parts will disassemble  
To a corner and dream of their  
Victories of the day.

The Lynnhaven Boat Works Department of Pitts & Sons, Inc., is now organized to do any and all repairs and improvements on wood, fiberglass and metal hull boats.

1. Haul, clean and paint the bottom, a job that needs to be done every year.
2. Caulking — a few places requiring work occur every year, and if taken care of, prevent future problems.
3. Repair woodwork to make sure that all timbers are sound and that rot does not become extensive.
4. Repair shaft, strut, propeller, rudder, stugging box, bearings, or wheel.
5. Repair electrical systems and safety equipment.
6. Refurbish or replace canvas deckings as needed.
7. Repair pumps, fans and ventilation systems.
8. Clean and paint bilges; inspect and clean tanks.
9. Examine hardware and fastenings, exterior and interior, and repair or replace as required.
10. Repair engines; overhaul as needed, or full replacement.
11. New woodworking improvements, exterior or interior.

Pitts & Sons can handle any boat from a dinghy to 50 feet in length. Taxi service is available if needed.
